At the time of writing this we don't know if Theresa May will trigger Article 50 before Kim Jong Un or Vladimir Putin triggers World War 3, but if neither has happened by March, come and see one of Scotland's top stand-ups in his favourite Glasgow venue.....

*' Hydro or Stand??Hydro or Stand??
....STAND!! '*

This will be the first outing for Fred's new 2017 solo stand-up show before he goes on tour and then to EdFringe. Topics will include stuff about politics, stuff about sport, stuff about television and stuff about other stuff. Some stuff for everyone then.
